Spa Policy

Attendance

We request clients to attend appointments on-time, not late or early - we do not have an operational reception area to wait. Clients are requested to wait outside until greeted by their therapist. Occasionally appointments do run over, we apologise in advance for this.

Face

Face coverings are no longer mandatory for clients. You have the right to request your therapist to wear a face mask if preferred.

Space

In order to ensure your safety and comfort, our work areas only permit 1 therapist and 1 client at all times.

Peace & Tranquility

Our environment is one of tranquility and relaxation. Please respect all guests' right to privacy and serenity. Please maintain all conversations at a considerate volume in all areas and turn off your mobile phone. We kindly request that you do not bring children with you to your appointment.

Aftercare advice

After massage treatments, we advise clients to bring & drink plenty of water or herbal teas and recommend you take it easy. For all other treatments your therapist will advise on the best aftercare.

Cancellation Policy & Deposits

For bookings over £50 we will require a 50% deposit in order to secure your booking which should be paid at least 48 hours prior to the scheduled appointment.

Whilst we appreciate that sometimes unforeseen circumstances can occur. Appointments at Heaven Therapy are precious, therefore, please contact us within 24hours by telephone, email or text to cancel or re-arrange your appointment or a charge of 50% will be payable. A 100% fee will be payable for any 'no show' appointments and we will insist on prepayment for future appointments. We send email and text reminders to clients 24hours prior in order to prompt you. We reserve the right to request prepayment for any booking.

Peel Treatments

Dermalogica believe that regular resurfacing is crucial to accelerate cell turnover and renewal rates – so we opt for peels that are more frequent and less invasive rather than those that push the skin to the point of severe inflammation and possible scarring.

Additionally, we're constantly looking for ways to give you the flexibility to create completely customized treatments for a range of skin conditions. With this in mind, the skin health experts at The International Dermal Institute and Dermalogica are excited to introduce the all-new and fully customizable Pro Power Peel.

Pro Power Peel redefines the peel experience and give clients a different, custom peel with each treatment.
